

Dear Invictus Families,

Our children are at the most amazing, life changing school! So many of our kids are finally discovering what it is like to be respected and presumed competent. They are all counting on this school to help them communicate, advocate and learn in every possible, imaginative way. It is for this reason that we have Invictus Academy's very own PTO.

Our key mission is to promote the best educational environment for our unique, diverse and multi-talented students while supporting our incredible teachers, assistants, therapists and specialists in helping them to achieve their highest goals and dreams.

In addition to fundraising, we hope to provide workshops and enrichment activities to our students, our teachers and our families. There is a lot to be accomplished and we need your help! Here is just a small sampling of ways you can help:

1. Do you have connections in the community? Do you know of a business or organization that would provide donations or sponsor our school?
2. Do you have knowledge or access to a venue for a fundraising event?
3. Do you have experience with grant writing or are you a great writer?
4. Do you have leadership skills, note-taking skills, people skills, money management skills?
5. Are you artistically talented? Musically talented? Athletically talented?
6. Can you provide a few hours of your time to volunteer at the school?
7. Do you want to be part of a specific committee or planned activity?
8. Do you have extended family members or friends who'd like to get involved?

If each of us does a small part, we become a part of something bigger. We will establish a community that is stronger because we are all working together towards a common goal.

Please download and complete a membership form to let us know how you'd like to be involved. Drop off the form along with your membership fee at the school office.

Please feel free to email the PTO board at [iatb.pto@gmail.com](mailto:iatb.pto@gmail.com) to ask any questions you may have.

Thanks so much and we can't wait for you to join us!

Sincerely,

Invictus Academy PTO Board
